Q3. How would you rate the tutorials overall?

1	as i was a 1st year clinical student(4th year) I found these tutorial informative and were a Good introduction to the clinical world of medicine	Dec 11, 2012 2:49 PM
2	i improve my ability in taking history and discussing cases	Dec 9, 2012 9:02 AM
3	discussing a case is a good way to know what to do and why	Dec 9, 2012 7:15 AM
4	this is the why that i can learn, and i hope i can do this for ever	Dec 8, 2012 8:06 AM
5	doctors are good, content is beneficial	Dec 7, 2012 5:38 PM
6	because it learned me how to think systematically	Dec 7, 2012 4:58 PM
7	because it was very helpful to me	Dec 7, 2012 12:26 PM
8	the disscussion is failry good but still need a specialist	Dec 7, 2012 12:06 PM
9	It's full of info and help me thinking out of the text	Dec 7, 2012 5:35 AM

Q4. Were the sessions relevant to medical training/practice in Palestine?

1	society differences mainly	Dec 13, 2012 1:17 PM
---	----------------------------	----------------------

Q6. Please state one thing you particularly liked about the tutorials

1	they were very useful , (Differential diagnosis,and management,etc...)	Dec 11, 2012 2:49 PM
2	it was useful, informative , enjoyable , very interesting way to learn	Dec 11, 2012 11:35 AM
3	It was very useful , taught me slightly about x-ray , how to do differential diagnosis and reach to the correct diagnosis.	Dec 10, 2012 8:00 PM
4	the tutors used to cover whole subjects through a case-based learning	Dec 10, 2012 7:22 PM
5	improving my ability in discussing and thinking in the right way to reach the most appropriate diagnosis	Dec 9, 2012 9:02 AM
6	the ability of the tauter to speak , it is much better than reading comments	Dec 9, 2012 7:15 AM
7	Your encouraging for us!	Dec 8, 2012 6:09 PM
8	i think the discussion way that we do, asking and answering.	Dec 8, 2012 8:06 AM
9	to think appropriatly about DD	Dec 7, 2012 8:40 PM
10	The tutors were encouraging and didn't make us feel "stupid"	Dec 7, 2012 6:28 PM
11	useful	Dec 7, 2012 5:41 PM
12	Doctors are clear in giving the information	Dec 7, 2012 5:38 PM
13	i liked how all of us discussing the case not only the one who prepared it	Dec 7, 2012 4:58 PM
14	the way the doctors made me THINK about each case	Dec 7, 2012 12:26 PM
15	the differential diagnosis	Dec 7, 2012 12:06 PM
16	talking about investigations and treatment more than history and physical examination	Dec 7, 2012 10:16 AM
17	The way they use to explain the case .	Dec 7, 2012 5:35 AM
18	Practicality of the questions, and good advice related to investigations.	Dec 6, 2012 10:23 PM

Q7. Please state one thing you would improve with the tutorials

1	to make sessions more interesting	Dec 11, 2012 2:51 PM
2	i would make all the sessions taught by voice , not chatting ,,	Dec 11, 2012 2:49 PM
3	if u please next time if it possible to make it in one appointment in holiday day like Thursday or friday in the evening	Dec 11, 2012 11:35 AM
4	teach more about x-ray.	Dec 10, 2012 8:00 PM
5	more about clinical examination and signs	Dec 10, 2012 7:52 PM
6	improve the audio connection	Dec 9, 2012 9:02 AM
7	Nothing specific.	Dec 8, 2012 6:09 PM
8	to ask us a homework about any object the next tutorial we discuss it in 5 minutes before the tutorial starts since we always need like 10 minutes to start the case	Dec 8, 2012 8:06 AM
9	to watch a vedio of similar case and how to deal with	Dec 7, 2012 8:40 PM
10	audio	Dec 7, 2012 5:41 PM
11	It would be good if you give us the next tutorial will be about what, so that we can prepare every time.	Dec 7, 2012 5:38 PM
12	nothing	Dec 7, 2012 4:58 PM
13	improving the microphones because it was much much interesting when I hear and read the case discussion not just read	Dec 7, 2012 12:26 PM
14	more discussion about a complicated case , let the instructor add more details about the case	Dec 7, 2012 12:06 PM
15	using microphones more often	Dec 7, 2012 10:16 AM
16	How to workup the cases in the future	Dec 7, 2012 5:35 AM

Q8. Do you have any other feedback or comments?

1	Thank you :D	Dec 11, 2012 2:49 PM
2	it was great to have this tutorials with u :D	Dec 11, 2012 11:35 AM
3	I'm very happy to have such an opportunity.It was very interesting and useful.The students who have taught us were very very kind. Thanks for your effort	Dec 10, 2012 8:00 PM
4	thank you very much, it was a great experience , the tutorials helped me a lot in history taking and examination , and they also gave me a good way to approach differential diagnosis based on the signs\symptoms through a systemic consideration	Dec 10, 2012 7:22 PM
5	i hope to attend another OxPal teaching sessions thank you	Dec 9, 2012 9:02 AM
6	i hope there will be another ox-pal tutorials	Dec 9, 2012 7:15 AM
7	thanks for all you do,making this project more than perfect!	Dec 8, 2012 6:09 PM
8	no	Dec 7, 2012 8:40 PM
9	no	Dec 7, 2012 4:58 PM
10	can you connect us to Oxpal the whole week not just one day ? .. by having a forum website -for example- that the doctors can upload files on it for us , like when we finish the session the doctor upload any helpful paper or animation, and by this website we can send our Questions to the doctor and do discussion on it during the whole week but as the doctors are busy they don't have to connect with us in each discussion we have but they can answer us each time they find themselves free to do it	Dec 7, 2012 12:26 PM
11	no	Dec 7, 2012 12:06 PM
12	it's really more interesting when it's an audio session	Dec 7, 2012 10:16 AM
13	Thanks for all, and hope to continue this project and have more tutorials next term :)	Dec 7, 2012 5:35 AM
